

New Hire Onboarding Guide

Northlight Analytics | People Operations | For all new remote employees

Welcome to the Team!

This guide walks you through your first two weeks at Northlight Analytics. Your onboarding buddy and manager will check in regularly, but this document is your source of truth for what to expect.

Before Day 1

- IT ships your laptop and peripherals to arrive 2-3 business days before your start date.
- You will receive a welcome email with your company email address and temporary password.
- Complete the I-9 / tax residency form sent by People Ops (deadline: your start date).
- Join the #new-hires Slack channel to meet others starting in your cohort.

Day 1 Checklist

Time (your local zone)	Activity
9:00 AM	Laptop setup + account activation call with IT
10:30 AM	Welcome session with People Ops (company overview, benefits)
1:00 PM	1:1 with your manager (role expectations, first-week plan)
2:30 PM	Meet your onboarding buddy
3:30 PM	Self-paced: complete security & compliance training

Week 1 Goals

- Complete all required trainings in the LMS (Learning Management System).
- Set up your development or work environment following your team's runbook.
- Schedule intro calls with your 5 closest cross-functional collaborators.
- Read your team's Notion wiki and quarterly goals document.

Week 2 Goals

- Ship your first small task, ticket, or deliverable (your manager will help you pick one).
- Attend your first team retro or standup and contribute at least one comment.
- Complete the 2-week onboarding survey sent automatically by People Ops.

30-60-90 Day Check-ins

Your manager will schedule formal check-ins at 30, 60, and 90 days to review progress against your ramp-up plan and gather feedback on your onboarding experience.
